Dicot processes your personal data within the scope of its business activities and business purposes. Personal data is stored and processed in Dicot's IT-system, which may be wholly or partially administered by data processors located within or outside of the European Economic Area. Personal data will be processed with the purpose to administer your relationship with Dicot and to provide you with relevant information about Dicot. You are entitled to request information on Dicot's processing of your personal data once per year without fee. This is done by sending a request to: info@dicot.se

You are also entitled to request rectification of incorrect, inaccurate or incomplete personal data processed by Dicot. You can request that personal data is erased when it is no longer needed or if processing is unlawful. You are always entitled to recall a consent (e.g. terminate prescription of information/newsletter), submit a complaint on Dicot's processing of personal data to the Swedish Data Protection Authority and object to the processing of your personal data for marketing purposes.
